

Rebate Requirements

PSEG Long Island offers a wide array of incentives and rebates for residential customers to help reduce their energy usage and lower monthly bills. For a limited time, residential customers can receive rebates from PSEG Long Island through the purchase of eligible ENERGY STAR® certified and other selected products. Please refer to the below guidelines for rebate eligibility requirements:

Requirements for **all** applications:

- Customer must have a valid PSEG Long Island residential account number
- All required documents must be uploaded in appropriate application section
 - Dated sales receipt/paid invoice
 - Must show manufacturer, model number, and price paid
 - Online Purchases require proof of delivery/proof of pickup receipt, or the rebate will be denied
- Account service address and installation address on receipt must match to receive rebate (if applicable)
- A PSEG Long Island representative may contact the account holder to schedule an on-site verification of installed equipment
- A PSEG Long Island representative may request photos of the installed equipment and of the nameplate on the equipment. Photos of the nameplate must clearly show the model and serial number of the installed equipment.

Additional Requirements for all **appliance** applications:

- Online rebate application must be completed within 45 days of purchase
- The rebate amount cannot be more than 50% of the retail purchase price paid

These terms and conditions (“Terms and Conditions”) govern the Residential Charger Rebate Program offered by PSEG Long Island, LLC, Long Island Electric Utility Servco LLC, as agent and acting on behalf of Long Island Lighting Company d/b/a LIPA (“PSEG Long Island”).

This Program is offered by PSEG Long Island to PSEG Long Island customers (as defined in the General Requirements below) who purchase and install a qualified Level 2 EV charger (“Smart Charger”) on or after January 01, 2024. Funding for this program is limited and rebates will be made available until funds are exhausted for the calendar year.

APPLICATION. The application must be filled out completely and accurately. The Customer must sign the completed application and submit the required documentation listed below.

PAYMENT. Payment for complete and accurate applications is typically issued within 8 weeks. Questions regarding your rebate may be emailed to PSEGLongIslandEVli@pseg.com. PSEG Long Island is not responsible for lost or undeliverable mail or email.

APPROVAL AND VERIFICATION. PSEG Long Island reserves the right to verify Customer purchase and installation of the qualifying Smart Charger before or after issuing a rebate. PSEG Long Island does not make any warranties or representations of any kind, whether statutory, expressed, or implied for the performance or installation of the equipment as a result of the approval and verification process.

REBATE. PSEG Long Island will rebate up to either 100% of the cost of the qualifying Smart Charger, or up to the Customer’s eligible rebate amount, whichever is less. Eligible customers may receive up to \$200 in rebates, or up to \$300 in rebates if they are eligible for an Enhanced Rebate.

Enhanced Rebates

- Customers located in a Disadvantaged Community (DAC) can receive an additional \$100 rebate, for a total rebate of up to \$300.¹
- Customers enrolled in PSEG Long Island’s Household Assistance Program can receive an additional \$100 rebate, for a total rebate of up to \$300.
 - Customers can learn if they qualify and how to enroll at <https://www.psegliny.com/myaccount/customersupport/financialassistance/householdassistance>

PSEG Long Island reserves the right to use the Customer’s rebate to credit such Customer’s account if in arrears.

TAX LIABILITY. PSEG Long Island is not responsible for any tax liability imposed on the Customer resulting from the Customer receiving rebates from PSEG Long Island.

LIMITATION OF LIABILITY. PSEG Long Island’s liability is limited to paying the rebates specified. PSEG Long Island is not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, or similar losses of any kind, as well as any

¹ The definition of a DAC was adopted by the Climate Justice Working Group under the direction of the New York State Climate Leadership and Community Protection Act. A map reflecting the DACs in Long Island the Rockaways can be found at: www.NYSERDA.ny.gov/ny/Disadvantaged-Communities

indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program. PSEG Long Island does not guarantee the availability of funding for the Program and is not responsible for any costs or damages incurred by Customer if funding for this program is reduced or eliminated. Funding is subject to change at any time without notice.

CUSTOMER'S CERTIFICATION. Customer certifies that Customer has purchased the EV Charger listed on this application and the charger was installed by a licensed contractor at the defined location. Customer agrees that all information is true and that Customer has conformed to all Program and equipment requirements listed.

WARRANTIES. PSEG LONG ISLAND DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY, IMPLICITLY OR OTHERWISE. PSEG Long Island makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the equipment or services provided by a manufacturer, contractor or vendor. PSEG Long Island shall not be responsible for costs or corrections of conditions already existing in the property which fail to comply with applicable laws and regulations. PSEG Long Island does not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in connection with this Program. Contact your retailer, manufacturer, vendor or contractor for details regarding equipment performance and warranties.
